

Verification of Participation 25th Annual Congress - November 3-6, 2011

Please complete your contact information and check (√) the sessions you attended. You may only claim credit for one session if it runs concurrently with another and for which you registered. ACP staff will calculate the credits you are eligible for upon receipt of all four pages of this document and will email the appropriate certificate to the email address provided below within two weeks.

The American College of Phlebology designates this live activity for a maximum 22.5 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

All new and reprint certificate requests must be received prior to Wednesday, July 31st, 2013. Certificate requests received by the ACP there after will be considered on a case-by-case basis and are subject to an administrative fee (\$25.00 per request).

To request a certificate, please complete this form and email it back to education@acpmail.org or meetings@acpmail.org with signature. Thank you.
